

Creando Enrollment & Attendance Policy

By completing this enrollment process I am hereby acknowledging that I agree to all the terms and conditions of Creando's Afterschool program.

- I agree to enroll my child or children for a minimum of the entire semester and acknowledge that if I dis-enroll my child or my child stops attending the program I am still responsible and liable for all tuition payments for the remainder of the semester regardless of attendance.
- I also acknowledge that I am responsible for tuition payments if my child misses a class.
- Creando Explorertorium strives to provide the most positive and fun learning environment possible for our little language explorers. We will do everything in our power to provide an exciting and effective learning environment for all our students, and in return we expect our students to be respectful of the staff and other students. If your child displays repeated behavior that is distracting from the learning environment of others, we will notify the parent/guardian and try to come up with a plan to correct the behavior. If the behavior does not stop, Creando reserves the right to dis-enroll the student. In this case all future tuition payments for the remainder of the semester will be waived.
- I also hereby acknowledge that Creando Explorertorium has a large indoor play area with a multi-level play structure and my child will have access to this play area during Afterschool classes. I am waiving all rights to hold Creando Little Language Explorers LLC responsible or liable for any injury, illness or harm caused by any activity or equipment at Creando Explorertorium located at 1716 Monroe St. Madison, WI. I understand that the teachers will be supervising the students at play time during the afterschool program, but they cannot always guarantee the safety of my child. I am hereby giving my child or children permission to use this play equipment and understand that it is at their own risk, and I will not hold Creando Little Language Explorers LLC liable in any form.
